Program Overview and FAQ

ABOUT THE MICHIGAN HOMEOWNER ASSISTANCE FUND (MIHAF)

The Michigan Homeowner Assistance Fund (MIHAF) is a statewide program that uses federal resources to provide financial assistance to homeowners who have fallen behind on homeownership-related expenses because of the COVID-19 pandemic.

Funding for the MIHAF program was established under section 3206 of the American Rescue Plan Act of 2021 to mitigate financial hardships associated with the coronavirus pandemic by providing funds to eligible entities for the purpose of preventing homeowner mortgage delinquencies, defaults, foreclosures, loss of utilities or home energy services, and displacements of homeowners experiencing financial hardship after January 21, 2020, through qualified expenses related to mortgages and housing.

A total of \$242,812,277 was allocated to the State of Michigan to fund the MIHAF program by the U.S. Treasury, which MSHDA anticipates will help more than 8,300 homeowners across the state. Half of the funds have been allocated by the state Legislature, and the remaining approximately \$121 million must be approved at a later date.

ABOUT MSHDA

The Michigan State Housing Development Authority (MSHDA), established in 1966, serves the people of Michigan by offering financial and technical assistance through public and private partnerships to provide quality housing that is affordable, a cornerstone of diverse, thriving communities.

MSHDA's loans and operating expenses are financed through the sale of tax-exempt and taxable bonds and notes to private investors, not from state tax revenues. Proceeds of the bonds and notes are loaned at below-market interest rates to developers of rental housing and also fund home mortgages and home improvement loans. MSHDA also administers various federal housing programs.
